

**ARCHITECTURAL REVIEW BOARD (ARB)
ACKNOWLEDGEMENT OF DESIGN**

HOMEOWNER: _____

ADDRESS: _____

DESCRIPTION OF IMPROVEMENT: _____

Dear Neighbor,

As per the Architectural Review Board's policy, neighboring property owners are requested to acknowledge that they are aware of and understand the nature of any planned improvements before the ARB will grant approval.

Signature on this form indicates that you have received a copy of the homeowner's ARB APPLICATION FORM for Home or Site Improvements for the above address and that your property is adjacent to or will be affected by the proposed improvements. Although your support of the plans is not a prerequisite for ARB approval, the policy has been implemented so that neighbors may have an opportunity to express concerns and/or resolve any outstanding issues prior to ARB review. Neighbors are welcome to contact the Dunlora Property Manager, Paul Carrier at 984-0700 or email pcarrier@communitygroup.com with any questions or concerns.

We thank you for your cooperation.

Very Truly,
The Dunlora Architectural Review Board
